

Clifton Diocese has published guidelines that are intended “to give a positive direction and a sense of hope to all our communities” under the title:

"Called to be a people of hope"

The Parish Pastoral Committee (PPC) has carried out an initial check to see how we are doing, for each of the 15 areas the Bishop has recommended that we consider.... A "traffic light" spreadsheet summarising what **we think we are already doing**, **have only made a start on** or **have yet to attempt**, as at Jun 09 and when we hope to undertake the work needed (**Now**, **soon** or **later**.) can be viewed from the "Summary" link on the previous page. If you would like to find out more please speak to the clerical team or any members of the PPC.
