

# VOLUNTEERS

Our parish is like a family. Canon Michael and Father Tom are our priests but it is the parish (us) that runs the activities so if the priests were not here we would still go on.

Our participation makes our parish alive and Father Michael would like **all** of us to be involved. This does not mean a lot of extra work and responsibility to our already busy lives. It means that the more of us who take part, the less there will be for each of us to do but each one of us would feel pleased with our contribution.

There are already various activities in this parish with many people involved and we would love more volunteers to join. You might have some new ideas or activities, we would love you to tell us about them and show us what to do.

We have started a Volunteers Notice Board at the back of the church.

Here is a list of our current activities and who to get in touch with if you want to find out more and join:
